

**Ribbons Human Again**  
**Ingrid Michaelson**

...Hi...First on... I hope you ll enjoy...

Capo on Six!!!

**C G F C**  
I m sitting pretty, and I don t know why  
**C G F C**  
I found somebody, said he d make me fly  
**C G F C**  
Wrapped me up in ribbons, then he left me to die  
**C G F C**  
Wrapped me up in ribbons, then he left me to die

**C G F C**  
Told me he d hold me till there was no more  
**C G F C**  
Told me that he d love me from the top to the floor  
**C G F C**  
Wrapped me up in ribbons, then he went for the door  
**C G F C**  
Wrapped me up in ribbons, then he went for the door

**F G Am C**  
And all the time he takes are the words that he breaks

**F G Am C**  
And all the time he takes are the words that he breaks

**F G Em Am**  
Cause I m not flying, I m not flying, am I?  
**F G Em Am**  
I m not flying, so damn high in the sky  
**F G Em Am**  
I m not flying, I m not flying, am I?  
**F C**  
I m not flying, am I?

**C G F C**  
You look so pretty in the dark of night  
**C G F C**  
But I m getting wise in the early light  
**C G F C**  
I can see you falling like a homemade kite  
**C G F C**

I can see you falling like a homemade kite

**C**                    **G**                    **F**            **C**  
You put your Sunday best on for us all  
**C**                    **G**                    **F**                    **C**  
Painting up a promise that you know will fall  
**C**                    **G**                    **F**            **C**  
Wrap me in your ribbons, tie me to the wall  
**C**                    **G**                    **F**            **C**  
Wrap me in your ribbons, tie me to the wall

**F**                    **G**                    **Am**                    **C**  
And all the time he takes are the words that he breaks

**F**                    **G**                    **Am**                    **C**  
And all the time he takes are the words that he breaks

**F**                    **G**                    **Em**                    **Am**  
Cause I m not flying, I m not flying, am I?

**F**                    **G**                    **Em**                    **Am**  
I m not flying, so damn high in the sky

**F**            **G**                    **Em**                    **Am**  
I m not flying, I m not flying, am I?

**F**                    **C**  
I m not flying, am I?

**F**            **G** **Em**                    **F**            **G** **Em**  
You walk on everybody, you walk on everyone

**F**                    **G**                    **Em**                    **Am**  
You walk right up, and you ask me to dance

**Em**                    **Am**  
You ask me to dance

**Em**                    **Am**                    **G**  
You ask me to dance, then you walk away

**F**                    **G**                    **Am**                    **C**  
And all the time he takes are the words that he breaks

**F**                    **G**                    **Am**                    **C**  
And all the time he takes are the words that he breaks

**F**                    **G**                    **Em**                    **Am**  
Cause I m not flying, I m not flying, am I?

**F**                    **G**                    **Em**                    **Am**  
I m not flying, so damn high in the sky

**F**            **G**                    **Em**                    **Am**  
I m not flying, I m not flying, am I?

**F**                    **C**  
I m not flying, am I?
