

The Chain

Ingrid Michaelson

Capo on 1st (chords relative)

I found it s quite easy to play the **E/D#** open if you use your middle, ring and pinky finger to play the E chord, with your index behind your pinky on the first fret (so you can just lift the pinky to get 021100).

[Verse 1]

E **D**
The sky looks pissed
C#m **C**
The wind talks back
E **E/D#** **C#m** **B**
My bones are shifting in my skin
A **B** **E**
When you, my love, are gone

E **D**
My room seems wrong

C#m **C**
The bed won t fit
E **E/D#** **C#m** **B**
I cannot seem to operate
A **B** **E**
When you, my love, are gone

[Chorus]

A **B**
So glide away on soapy heels
E **E/D#** **C#m** **B**
And promise not to promise anymore
A **B**
And if you come around again
E **E/D#** **C#m** **B**
Then I will take, then I will take
A **B** **E**
The chain from off the door

[Verse 2]

E **D**

I ll never say

C#m **C**

I ll never love

E **E/D#** **C#m** **B**

But I don t say a lot of things

A **B** **E**

When you, my love, are gone.
