

Sabrina

Inkubus Sukkubus

G **Em**

So deep Deep as the sky is high

G **Em**

In my sleep Your song has spun my dreams

C **Em**

Darker than the night

C **Em**

Wider than the sea

G **C** **D** **G**

Oh, Sabrina, wild and free

G **C** **D** **G**

Oh, Sabrina, sing for me

G **Em**

Each breath of wind shall shape your form

G **Em**

Who would guess your life would rise and fall

C **Em**

How I fear your power

C **Em**

How I miss you now

C **Em**

Wider than the sea

G **C** **D** **G**

Oh, Sabrina, wild and free

G **C** **D** **G**

Oh, Sabrina, sing for me
