Great song by a great NY band. This is a simplified chord progression. Very good and far more detailed tabs are also filed in ultimate-guitar, but this one will do for camp fires and sing-alongs. Good Luck, John Pineau

Em
How are things on the west coast?

G
I hear you re moving real fine tonight

Em
You wear those shoes like a dove

Am
Now strut those shoes we ll go roaming in the night

Em

C **Em**
And I don t want a piece of history

C **Am** **Em**

G **Am** **Em**
Cause today my heart swings

Em
How are things on the west coast?

G
I Hear you re moving real fine tonight

Cause I ve got a chance for a sweet sane life, and
