Album: Turn On The Bright Lights
Tabbed By: Tomsk

There isn't a whole lot of guitaring in this track, the synthesiser keyboard fills out the song the most. The majority of the song is moving from Dm to C. See below.

```
e |-----|
B |-----|
G |-----|
D |--7777777777777777-1010101010101010-99999999--|
