Interpol**

**F** **E D Am**  
When she walks down the street  
**F** **E D Am**  
She knows there s people watching  
**F** **E D Am**  
The building fronts are just fronts  
**F** **E D Am**  
To hide the people watching her  
**F** **E D Am**  
She once fell through the street  
**F** **E D Am**  
Down the manhole in that bad way, he-ey  
**F** **E D Am**  
The underground drip  
**F** **E D Am**  
It s just like her scuba days

Well she was my catatonic sex toy love-joy diver  
Well she was my catatonic sex toy love-joy diver  
She went down down down there into the sea  
She went down down down there down there for me, right on  
Oh yeah  
Right on  
It s so good  
Oh yeah

Right on  
It s so good  
Oh yeah

There s something that s invisible  
There s some things you can t hide  
Try to detect you when I m sleeping  
In a wave you say goodbye  
There s something that s invisible  
There s some things you can t hide  
Try to detect you when I m sleeping  
In a wave you say goodbye
