

**The Rover**  
**Interpol**

[Verse 1]

**Am**

Come and see me and maybe you ll die

**Am**

But I can keep you in artwork, the fluid kind

**D**

That s enough for excitements today

**D**

Prostrated faded, it s pay-to-play

[Verse 2]

**Am**

Come and see me yeah, maybe you ll try

**Am**

I ve been holding these pyros til they could fly

**D**

Open up and enlighten again

**D**

Enjoy the skyline, it s an incremental end

[Chorus]

**Am**

**G**
