Intro: **F Am Em Dm**

Riff:

e	-----
B	--10-----
G	-----12-10-9---10---
D	-----
A	-----
E	-----

F **Am**
I need the sun light, to keep me above
Em Dm
These moderations

F **Am**
I always hoped for, did all this work for
Em Dm
Some piece of mind and just because

F **Am**
On this side you wanna see that, there s no change
Em Dm
And somewhere to stay

F **Am**
But if your right, Ill put my keys back (There s no change)
Em Dm
And no hand to play

Chorus:

F **Am**
Please explore my loves endurance
Em Dm
And stay, stay
F **Am**
Please endure my loves exploitations
Em Dm
No way, no fucking way no

F **Am**
On this side, you wanna see that there s no change
Em Dm
And somewhere to stay

F **Am**
On this side, your gonna see that there s no change

Em Dm

And nowhere to stay

F

Try it on, try it on, try it on, try it on

Em

Try it on, try it on, try it on, try it on

Try it on, try it on, try it on, try it on

Try it on, try it on, try it on, try it on

F On this side, you wanna see that, **Am** there s no change

Em Dm

And nowhere to stay

F But if your right, I ll put my keys back, **Am** there s no change

Em Dm

F

And nowhere to stay, there s nowhere to stay

Am

Em Dm

And nowhere to stay, there s nowhere to stay
