

Try It On  
Interpol

Artist: Interpol  
Song: Try It On  
Album: Interpol

Intro: **F# Bbm Fm Ebm**

Riff:

```
e|-----|
B|--10-----|
G|-----12-10-9---10---|
D|-----|
A|-----|
E|-----|
```

**F#** **Bbm**  
I need the sun light, to keep me above  
**Fm Ebm**

These moderations

**F#** **Bbm**  
I always hoped for, did all this work for  
**Fm Ebm**

Some piece of mind and just because

**F#** **Bbm**  
On this side you wanna see that, there s no change  
**Fm Ebm**

And somewhere to stay

**F#** **Bbm**  
But if your right, Ill put my keys back (There s no change)  
**Fm Ebm**

And no hand to play

Chorus:

**F#** **Bbm**  
Please explore my loves endurance  
**Fm Ebm**

And stay, stay

**F#** **Bbm**  
Please endure my loves exploitations  
**Fm Ebm**

No way, no fucking way no

**F#** **Bbm**  
On this side, you wanna see that there s no change  
**Fm Ebm**

And somewhere to stay

**F#** **Bbm**  
On this side, your gonna see that there s no change

**Fm Ebm**

And nowhere to stay

**F#**

Try it on, try it on, try it on, try it on

**Fm**

Try it on, try it on, try it on, try it on

Try it on, try it on, try it on, try it on

Try it on, try it on, try it on, try it on

**F#**

**Bbm**

On this side, you wanna see that, there s no change

**Fm Ebm**

And nowhere to stay

**F#**

**Bbm**

But if your right, I ll put my keys back, there s no change

**Fm Ebm**

**F#**

And nowhere to stay, there s nowhere to stay

**Bbm**

**Fm Ebm**

And nowhere to stay, there s nowhere to stay
