You gave me, babe, you made me feel

Nothingâ€™s seems to matter

edge of what he wants now where to go

G# A#m G# A#m

I have become my worst enemy

Donâ€™t know why I lived so long anymore

G# A#m G#

Catch me as I fall down the stairs

Now itâ€™s raining down on me
 I donâ€™t care â€™cause we have seen
 it all together, You and I
 Staring at the shadows
 Dancing up and down the walls
 Of places we have been too long

I have become my worst enemy
 Donâ€™t know why I lived so long anymore
 Catch me as I fall down the stairs
 Everyday
 Shine on me before, you go away, one day
