Dm                    G           Dm                  G
  When you re down and confused  nothing seems right
Dm                  G                   Dm                      F
  And it s you who decides who s going to make it right     Coro

Dm              G           Dm                  G
  Well life ain t no joke  but it s good when you smile
Dm                  G                 Dm                                F
  Do you know where you are steal everything but you won t get far     Coro

Dm              G           Dm                  G  Dm              F
  Sometimes you will fall  whatcha gonna do give your friend a call   Coro

Dm                G           Dm                  G
  We know that you can smile  even though it takes a while
Dm                G           Dm                 F
  To lose your fears and say  gonna lose your fears and say     Coro

Dm              G           Dm                             G
  Do you know who you are  and where you re going to
Dm                    G               Dm                      F
  Don t you know that love gonna pull you  gonna pull you through now baby
