        Bm   D   Bm   D
  In the dark of night, those small hours,
      Em   F#   Bm
    Uncertain and anxious, I need to call you

(repetir introdução)

      Bm   D   Bm   D
   Room s full of strangers, some call me friend
          Em   F#   Bm
   But I wish you were so close to me
                    D   Bm   D
   In the dark of night, those small hours
      Em   F#m   Bm
   I drift away when I m with you
                        D   G
   In the dark of night, (by my side)
                        D   G
   In the dark of night, (by my side)
     Bm   G   A
    I wish you were, I wish you were
   Bm   D   Bm   D
    Here comes the clown, his face is a wall
        Em   F#   Bm
    No window, no air at all
                    D   Bm   D
    In the dark of night, these faces they haunt me
          Em   F#   Bm

```
  But I wish you were so close to me
A                       D        G
  In the dark of night, (by my side)
                         D        G
  In the dark of night, (by my side)
Bm              G                 A
  I wish you were, I wish you were
                     D        G
  In the dark of night, (by my side)
                     D        G
  In the dark of night, (by my side)
Bm              G                 A
  I wish you were, I wish you were
Bm            D     Bm                  D
  In the dark of night, those faces they haunt me
      Em                 F#        Bm
  But I wish you were so close to me
      Em             F#      Bm
  Yes I wish you were by my side
