

Not Enough Time
INXS

Intro: **A F#m A F#m**

A

And I was lost for words in your arms

F#m

Attempting to make sense of my aching heart

A

If I could just be everything and everyone to you

F#m

This life would just be so easy

A G F#m

Not enough time for all that I want for you

A G F#m E D

Not enough time for every kiss and every touch and all the nights

A

I wanna be inside you

A

We will make time stop for the two of us

F#m

Make time stop and listen for our sighs

A G F#m

Not enough time for all that I want for you

A G F#m E D

Not enough time for every kiss and every touch and all the nights

A

I wanna be inside you

E D A

Make time stop make time stop

A

In our fight against the end

F#m

Making love we are immortal

A

We are the last two to be left on earth

F#m

And I was lost for words in your arms

A

Attempting to make sense of my aching heart

F#m

If I could just be everything and everyone to you

A G F#m

Not enough time for all that I want for you

A G F#m

Not enough time for every kiss

A G F#m

Not enough time for all my love

A G F#m

Not enough time for every touch

E D

Make time stop I wanna

D

Make time stop

A G F#m

Not enough time for all that I want for you

A G F#m

E **D**

Not enough time for every kiss and every touch and all the nights

A **E** **D** **A** (soaring **A** with synthesizer)

I want to be beside ya

A G F#m

We will make time stop for the two of us

A

We'll make time stop

(Repeat above two lines five times while fading)
