THE LOVED ONE - INXS
--- -----

Due to the response of the last INXS song posted, I decided to do this one. It s a little trick, put a lot of fun to play. I m sure all you INXSaries will enjoy it.

I recommend playing the verse and intro in barre chords
(i.e. C = 355530) and playing the chorus normal
(i.**E**. **C** = 010230)

INTRO :

(D) (C#) (B) (do this eight times)

VERSE :

(B) (A) (C#) (B) Yonder she s walking
(B) (A) (C#) (B) she comes my way
red dress on
long black hair
walking like
talking like
wanting like
she comes to me (A) (G)

CHORUS :

Oh baby I (C) love (D) you (G) so
I (C) need (D) you (G) know,
I (C) want (D) you (G) back,
I can t go (C) on (D)

VERSE 2 :

for the second verse, play the intro until
and now she s gone . At this point go back to
the chords for the first verse.

Chorus :

chorus is the same throughout the song and it repeats twice at the end.

One last note about the chords in the verse, you need to play them quick and before each line of the verse. I play the B, then I remove my finger from the 4th fret and just strum a couple strings to play that A. It seems the quickest way to me, but do whatever works.

Here is a little tab for the outro, it's kinda faint so listen for it. It's all played on the high E string.

E---7-8-10--7-8-10-10----
