He Washed My Eyes With Tears
Ira F. Stanphill

 Words and Music by Ira F. Stanphill

[Verse 1]
```
N.C.             Dm          Am7
He washed my eyes with tears
Dm            Gm
That I might see.
C7           Gm
The broken heart I had
C7            F
Was good for me.
N.C.          Dm     Am7
He tore it all apart
Dm            Gm
And looked inside.
C7             Gm
He found it full of fear,
C7             F
And foolish pride.
N.C.         Bb
He swept away the things
                F
That made me blind.
             Dm
And then I saw the clouds
G7              C7
Were silver lined.
N.C.        Dm    Am7
And now I understand
Dm                 Gm
 Twas best for me.
C7              Gm
He washed my eyes with tears
C7              F
That I might see.
```

[Verse 2]
```
N.C.             Dm          Am7
He washed my eyes with tears
Dm            Gm
That I might see
C7           Gm
The glory of Himself
C7              F
Revealed to me
N.C.          Dm           Am7
```

I did not know that He
Dm   **Gm**
Had wounded hands
C7   **Gm**
I saw the blood He spilt
C7   **F**
Upon the sand.
N.C.   **Bb**
I saw the marks of shame
                F
And wept and cried
            Dm
He was my Substitute
G7   **C7**
For me He died.
N.C.   **Dm**   **Am7**
And now I m glad He came
Dm   **Gm**
So tenderly
C7   **Gm**
And washed my eyes with tears
C7   **F**
that I might see.
