

## Electricity Iration

Chords:

**Em, Am, Bm, C, G, D**

Intro: **Em Bm Am Bm x2, Em Am**

Verse 1:

**Em Am**  
It s hard to say, just how it feels,  
**Em Am Bm**  
but I know when it s not, and I know when it s real  
**Em Am**  
It s hard to describe this feeling I got,  
**Em Am Bm**  
But when I m with you, I feel it a lot

Chorus:

**C G D**  
When it s just you and me, electricity  
**C G D**  
It s easy to see electricity  
**C G D**  
When it s just you and me  
**C D**  
Whoa, electricity

-

**Em Am Em Am Bm**

-

Verse 2(same as the other verse):

I like the way you move, when you walk my way  
I like the way you kiss, I like the things you say  
It might be your lips  
It might be your thong,  
You don t need a switch to turn me on

Chorus:

When it s just you and me, electricity  
It s easy to see don t you know  
When it s just you and me  
Whoa, electricity

-Solo-

Em Am Em Am Bm x2

Em Bm Am Bm x3

-

Chorus:

C                    G            D  
When it s just you and me, electricity

C                    G            D  
It s easy to see don t you know

C                    G            D  
When it s just you and me

C                    G            D  
Electricity, don t you know

C                    G            D  
When it s just you and me

C                    D  
Whoa, electricity
