

Work It Out Iration

Iration - Work it Out

Gm, **Dm7**, **Cm7**

I usually use

Gm 355333

Dm7 557565

Gm7 335343

We donâ€™t talk today
The minutes waste away
Just communicate
Itâ€™s the only way

I need to let you know
Love can bloom in snow
And we can make it grow
Come on and let it flow

And work it out

I need you by my side
To tell me itâ€™s alright
When everythingâ€™s so wrong
Your loveâ€™s what makes you strong

So work it out

Bridge:

You make it so hard
You gotta know that we made it so far
Donâ€™t make it so hard
You gotta try you gotta try you gotta

Work it out

These are the chords are pretty much the whole song. I got them straight Micah so i would assume they are correct. I Threw the lyrics in there not gonna waste my time putting the chords in each spot.
