## Work It Out Iration

Iration - Work it Out

Gm, Dm7, Cm7

I usually use

Gm 355333Dm7 557565Gm7 335343

We don't talk today The minutes waste away Just communicate It's the only way

I need to let you know Love can bloom in snow And we can make it grow Come on and let it flow

And work it out

I need you by my side
To tell me it's alright
When everything's so wrong
Your love's what makes you strong

So work it out

## Bridge:

You make it so hard You gotta know that we made it so far Don't make it so hard You gotts try you gotta try you gotta

Work it out

These are the chords are pretty much the whole song. I got them straight Micah so  $\mathrm{i}$ 

would assume they are correct. I Threw the lyrics in there not gonna waste  $\ensuremath{\mathtt{my}}$  time putting

the chords in each spot.
