Iron Chic - Know What I Mean Jellybean?

EADGBE standard tuning

Most of these are all standard punk rock power chord shapes.

I have included a few notes on the arpeggiated and octave chords I m hearing the 2nd guitar play as well.

C arpeggiated over **C G F** progression

```
e|---3-----|
B|-----3----|
G|-5-----|
D|-5-----|
A|-3-----|
E|-----|
```

Cmaj arpeggiated

```
e|-----|
B|-5-----5----|
G|-5-----5---|
D|-5-----|
A|-3-----|
E|-----|
```

[Intro]

C F (strummed quickly), may be **C E D** played over it

[Verse]

C
By then I d had enough
I couldn t stand to watch you die
So I died first, that s how I survived
Now I can t feel the ground tremble beneath my feet
And I won t make a sound while
This town crumbles into the sea

C (strummed quickly)

[Verse]

Now it s been years, and even after all this time
I m still here there s simply nothing inside

And when I held your head and whispered into you ear

G A F
it s okay to leave now, there is nothing left for you here
F (palm mute)
I knew I had nothing left to fear

[Chorus]

C G
F (C arpeggiated over this progression)
It s not hard to keep it inside
C G
F (C arpeggiated over this progression)
A feeling so hard to describe
C G F Em F
I don t know if that s okay
F Em F
I m gonna do it anyway
C G F
Do it anyway

[Bridge]

Cmaj (arpeggiated)
Yeah it hurt, it s almost something else now
Cmaj (arpeggiated)
I cried so much I thought I might drown
Cmaj (start strumming)
I m out of tears, I ll make no concessions
Cmaj
Through all these years I ve learned a lesson
Cmaj
Every thing I love will die
Cmaj (palm mute / strum fast)
In due time

[Chorus]

C G
F (C arpeggiated over this progression)
It s not hard to keep it inside
C G
F (C arpeggiated over this progression)
A feeling so hard to describe
C G F Em F
I don t know if that s okay
F Em F
I m gonna do it anyway
C G F
Do it anyway
