

Timecop
Iron Chic

Tuning: Standard

The verses are just powerchords palm muted, chorus I like to play the whole chord

INTRO: **E**

E5 **G#5**
Remember when time was all we had?
C#5
no care for the sand in the hourglass
E5 **G#5**
each new night was another shot
C#5
to stake our claim on a parking lot
E5 **G#5**
remember when friends we re all we d need?
C#5
day followed the night and we d let it lead
E5 **G#5**
in the basement, on the pavement
C#5
we couldn t conceive of an end to it
E
but it s not like that anymore

A **E**
Re-group, re-calculate
C#m **B**
rushing in was our first mistake
A **E**
re-think, re-calibrate
C#m **B**
set our sights on something bigger
A
(maybe move on to better things)

E5 **G#5**
Remember the pain of growing up?
C#5
it may have hurt but it sure was fun
E5 **G#5**
it made us who we are now
C#5
it gave us a mystery to figure out
E
this is what we waited for

A **E**
 Re-group, re-calculate
C#m **B**
 rushing in was our first mistake
A **E**
 re-think, re-calibrate
C#m **B**
 set our sights on something bigger
A **E**
 these days not much has changed
C#m **B**
 except how we feel and whats at stake
A **E**
 but we are still the same
C#m **B**
 should we choose to linger
E
 or move on to better things
