Let me tell you a story to chill the bones
About a things that I saw
One night wandering in the everglades
I d one drink but no more

I was rambling, enjoying the bright moonlight
Gazing up at the stars
Not aware of a presence so near to me
Watching my every move

Feeling scared and I fell to my knees
As something rushed me from the trees
Took me to an unholy place
And that is where I fell from grace

And They summoned me over to join in with them
To the dance of the death
In to the circle of fire I followed them
Into the middle I was led
