Lyrics:

When you see familiar faces  
But you don t remember where they re from  
Could you be wrong?  
When you ve been particular places  
That you know you ve never seen before  
Can you be sure?

Cause you know this has happened before  
And you know that this moment in time is for real  
And you know when you feel deja-vu

Feel like I ve been here before  
Feel like I ve been here before  
Feel like I ve been here before  
Feel like I ve been here before

Ever had a conversation  
That you realise you ve had before  
Isn t strange  
Have you ever talked to someone  
And you feel you know what s coming next

It feels pre-arranged

Cause you know this has happened before  
And you know that this moment in time is surreal  
And you know when you feel deja-vu

Feel like I ve been here before  
Feel like I ve been here before  
Feel like I ve been here before  
Feel like I ve been here before
