Lyrics:

If you re looking for someone that you can keep
then, baby, pass me by
And if you wanted something that s twenty years deep
Baby, don t even try
And if you wanted someone to take your soul
I ll lift you up little bit higher

I ve got the fire
I ve got the fire

So you think I m skinny, don t you sell me cheap
I m wide as a counrty-mile
Some like it wide, I like it deep
Guess which one is my style
So you think you can beat me by my own game
Maybe I call you a liar

I ve got the fire
I ve got the fire
