

Strange World
Iron Maiden

from the album Iron Maiden (1980)

Em **G**
The only place where you can dream,
D **C**
Liven here is not what it seems.
Em **G**
Ship of white, light in the sky,
D **C**
Nobody there to reason why.
Em **G**
Here I am, I m not really there,
D **C**
Smiling faces ever so rare.
Em **G**
A let s walk in deepest space,
D **C**
Living here, just isn t the place.

Em **G**
Stalk of light come from the ground,
D **C**
When I cry there isn t a sound.
Em **G**
All my feelings cannot be held,
D **C**
I m happy in my new strange world.
Em **G**
Shades of green, grasses twine,
D **C**
Girls drinking plasma wine.
Em **G**
A look at love, a dream enfolds,
D **C** **Em**
Liven here you ll never grow old.

Don t you hear me call?
