Lyrics:

The rebel of yesterday, tomorrows fool
Who are you kidding being that cool?
Trying to break away from running
with the pack
But they ain t listening so you ve
gotta go back
You re a weekend warrior when
you re one of the crowd
But it s over, just look at you now...

You re not so brave the way you behave
It makes you sick gotta get out quick
It s all bravado when you re out
with your mates
It s like a different person goes through
those gates
And the game begins,
the adrenaline s high
Feel the tension maybe someone
will die...

A weekend warrior lately
A weekend warrior sometimes
A weekend warrior maybe you ain t
that way anymore

You ve gotta get out gotta get away
But you re in with a clique it s not
easy to stray
You ve gotta admit you re just
living a lie
It didn t take long to work out why
It s hard to say why you got involved

Just wanting to be part,
just wanting to belong...

A weekend warrior lately
A weekend warrior sometimes
A weekend warrior maybe you ain't
that way anymore

Some of the things that you've done
you feel so ashamed
After all it's only a game...isn't it?
And after all the adrenaline's gone
What you gonna do on Monday?

A weekend warrior lately
A weekend warrior sometimes
A weekend warrior maybe you ain't
that way anymore
