```
e|-----3-----3---|
B|-0-----0-----|
G|---0-----0-----|
D|-----| [play x2, then verse 1]
A|-----2-----0h2-----|
E|-3-----3-----|
```

Verse 1 chords:

```
G                C
Homeward the new road meanders
D                C                G                D
Washed out the old road as to what did I bring
G                C
Flowers, a verse about springtime
D                C                G                D
Perchance in the treeline she s awaiting for me
```

Bridge chords:

```
C                G
Homeward these shoes worn to paper
C                D
Thin as the reason I left here so young
C                G
Homeward and what if I see her
C                D
There in the doorway I walked away from
```

Verse 2: (use verse 1 chords)

White house asleep on the hillside
Firm as a habit I struggled to shed
Homeward with heaven above me
Old road behind me, a door up ahead

:end on G
