Am **Am/G** **D**
Deep inside the heart of this troubled man

There s an itty bitty boy tugging hard at your hand
 Am **Am/G** **D**
Born bitter as a lemon but you must understand
 E
That you ve been bringing me... joy

Verse 2: [use verse 1 chords]

And I ll only lie when you don t want the truth
I m only frightened cause you finally gave me something to lose
And it s as loud as a thunderclap and you hear it too
But you ve been bringing me...joy

 [**G** - **G/F#** - **Em**]
 [**Am** - **Am/G** - **D** - **E**]

Verse 3: [use verse 1 chords]

Deep inside the heart of this crazy mess
I m only calm when I get lost within your wilderness
Born crooked as a creek bed and come to confess
That you ve been bringing me...joy

Verse 4: [use verse 1 chords]

And when I m alive, I m living for you
Another bluebird dying, but for singing the blues
And it s a heartfelt silly sort of bumbling tune
About how you re bringing me...joy

Outro: [repeat interlude chords]
