

Lean Into The Light Iron & Wine

This song is really simple. There is a total of only three chords that you will use. You can play these chords in any position you like, and you can capo and play them to suit your voice, but Sam plays these chords in standard tuning on the studio recording. Message me or comment with any corrections or suggestions. Hope this helps, and I hope you enjoy the song!!

Intro [X4]

D Am

Verse

D	G	Am
We re not happy most of the time		
D	Am	
We re not sad too often		
D	G	Am
We ll keep walking blind in the sun		
D	Am	
While the rain is falling		

Chorus

	Am	D
But we ll laugh by the raging riverside		
Am	D	
Laugh just as long as we re side by side		
Am	D	
Laugh as we lean into the light		

Intro [X4]

Verse 2

D **G** **Am**
We re no better off than we were
D **Am**
We re no worse for trying
D **G** **Am** **D**
We ll keep walking blind by the graves
 Am
And all the church bells chimin

Chorus 2

Am **D**
But we ll laugh as the tears roll from our eyes
Am **D** **Am**
Laugh holding hands and our knuckles white
 D
Laugh as we lean into the light

Intro [X2]

Final Verse

D **G** **Am**
Every morning, every goodnight
 D **Am**
For every wrong word our mouths do make
 G
We ll say a couple right

D **G** **Am**
Every welcome, every goodbye
 D **Am**
For every dark move our bodies make
 D **G**
We ll lean in towards the light

Outro [X4]

D Am

End on **D**
