

Lowligh Buddy Of Mine Acoustic
Iron & Wine

Pulled from a studio recording by Sam Beam... I have been playing it this way, but you may add a Bm after the C chord in the chorus if you want to sound a bit more like the album version. Listen to either song to fit in the hammers and pull offs. This is my first tab, I hope you enjoy!

Em

He s in a white car waiting for the light to change

Em

He s a buddy of mine but I can t complain

Em

He can make a lot of money, he can touch his toes

Em

He knows you never look til the lights are low

Am

And I love you and you love me

Am

Em

So we never demand and we never agree

C (strum once)

I love you and you love me

Bm (optional)

Em

And there s new fruit humming in the old fruit trees

Em

He s in a white car waiting in a parking lot

Em

And he s jealous of me and what we ve got

Em

He can buckle his belt, he can shine his shoe

Em

But he can never end up where I found you

Am

And I love you and you love me

Am

Em

So we don t talk back and we don t say please

C (strum once)

I love you and you love me

Bm (optional)

Em

And there s new fruit humming in the old fruit trees

Em

He s in a white car waiting for the rain to pass

Em

He s a buddy of mine but that won t last

Em

Cause he ate a dumb grin on an empty cup

Em

We both took him for when he showed up

Am

Cause I love you and you love me

Am

Em

So we both get stuck and we both get free
