STANDARD TUNING, NO CAPO

**C**

Me and Lazarus, we shovel all the ashes out  
Black bare linens blowing round  
Back and forth and up and down

**Bb**

**C**

oh oh woah, guess I had nowhere else to go

**C**

Me and Lazarus kept bailing on the riverboat  
Floating by the choir rose  
Bobbing in the ebb and flow

**Bb**

**C**

oh oh woah, guess I had nowhere else to go

**Bb**

**F**

**Bb F C**

Woah

**C**

Me and Lazarus, we fiddle with a baby spoon  
Fever flowing through the room  
Far too long and way too soon

**Bb**

oh oh woah, guess I had nowhere else to go

**C**

Me and Lazarus, we pick up papa s white boy blues  
Hand-me downs and Sunday shoes  
Never made the local news

**Bb**

**C**

oh oh woah, guess I had nowhere else to go

**Bb**

**F**

**C**

And I m a liberated loser that can roll

**Bb**

**F**

**C**

But where my pocket was I m peeking through a hole

**Bb**

**F**

**C**

A couple second-chances surely would console me
