Verse 1:

E1 **A5**
Midnight, and her eyes, hide like kittens, new and wet
E1 **A5**
Mine are sinning hands, on her lying on my bed
E1 **A5**
The river still may rise, wild and water take us both
E1 **A5**
Mine are sinning hands, take our bodies, take our clothes

Chorus chords:

D5 A5 E1 D5 A5 E1
Bloodless moonlight, may my lady
D5 A5 E1 D5 A5 E1
Give her lovely skin and bones

Interlude: E1 - A5 - E1 - A5 [~x4] [w/ slide and banjo]

Verse 2: (use verse 1 chords)

Midnight, and my bride, treads in distant water now
Mine are sinning hands, and my teeth have fallen out
The river still may rise, though it took more than it gave
Mine are sinning hands, on a broken windowpane

Chorus chords:

Bloodless moonlight, like my lady
Gave me only skin and bones

Outro: E1 - A5 - E1 - A5 [~x4] [w/ slide and banjo]
