Iron & Wine**

First tab, great song, hope u enjoy!

Sixteen, Maybe Less

Verse:

**B**

Beyond the ridge on the left, you asked me what I want

**G#m**

Between the trees and the chirping by the shading pond

**E F#**

I spent an hour with you, should I want anything else?

Verse 2:

She rose and winked like the owner of a candy store

We were sixteen, maybe less, maybe a little more

I walked home smiling, I finally had a story to tell

Chorus:

**E F# B F# E**

And though an autumn-time lullaby sang our new-born love to sleep

**F#**

My brother wrote me, he saw her there

**B F# E F#**

In the woods one Christmas Eve, asleep

Bridge:

**B, G#m, E, F# . . . . X 2**

**E, F#, B, F#, E, F#, B, F, E, F# . . . . X 2**

Verse 3:

met my wife at a party when I drank too much

My son is married and tells me we don't talk enough

It's so predictable, yesterday my dream was of you

Beyond the ridge on the left, the sun had left the sky

Between the trees and pond you put your hand in mine

Said, "Time has bridled us both but I remember it, too"

Chorus:

And though an autumn-time lullaby sang our new-born love to sleep

I dreamt I traveled and found you there

In the woods one Christmas Eve, with me

Outro:

**B, G#m, E, F# . . . . X 2**

End on B
