

**Such Great Heights
Iron & Wine**

G **D**
And true it may seem like a stretch
Am
But it s thoughts like this that catch
G
My troubled head when you re away
D
When I am missing you to death

G **D**
When you are out there on the road
Am
For several weeks of shows
G
And when you scan the radio
D
I hope this song will guide you home

G **D**
They will see us waving from such great heights
Am **G D**
Come down now, they ll say
G **D**
But everything looks perfect from far away
Am **G D**
Come down now but we ll stay

G **D**
I ve tried my best to leave
Am
This all on your machine

But the persistent beat
G **D**
It sounded thin upon listening

G **D**
And that frankly will not fly
Am
You ll hear the shrillest highs
G
And lowest lows with the windows down
D
When this is guiding you home

G **D**
They will see us waving from such great heights

Am

G D

Come down now, they ll say

G

D

But everything looks perfect from far away

Am

G D

Come down now but we ll stay
