

**Sunset Soon Forgotten
Iron & Wine**

Capo 2

C **G**
Be this sunset soon forgotten
C **G**
Your brothers left here shaved and crazy
C **G**
Weâ€™ve learned to hide our bottles in the well
C **G**
And what s worth keeping, sun still sinking
D **C**
Down and down
G
Once again
D **C**
Down and down
G
Gone again

C **G**
Be this sunset one for keeping
C **G**
This june bug street sings low and lovely
C
Those band-aid children
G
Chased your dog away
C **G**
She runs, returning, sun still sinking
D **C**
Down and down
G
Once again
D **C**
Down and down
G
Gone again

That s essentially it...enjoy.
