

Elizabeth

Isaac Russell

I m not too sure what the exact lyrics are (especially the 6th line) but I think that s pretty close. There s lot s of hammer-on s but you can figure out where to put them in pretty easy.

Standard Tuning Capo 7th

G **D** **B7**
I held my sparkler as I walked
Em **C**
Death was inevitable but nobody talked
G **D** **B7**
We just forget love and strike the match
Em **C**
And the fuse was life and the light was death

[Break]

G **D** **B7**
They gave you pills that made you swell
Em **C**
Lost the hair on your head self image shot to hell
G **D** **B7**
Spent some time at the beach to my surprise
Em **C**
We would walk and watch the waves, synthetic hair in your eyes

[Break]

Em **C**
Time didnt wear away my feelings for you love
Am **D** **B7**
It just rusted them and made them hard to find
Em **C** **G**
But I looove you Elizabeth youre mine

G **D** **B7**
And Ill try my best here love but when I dont succeeded
Em **C**
Please come visit me in hell cause thats where Ill be
G **D** **B7**

But if I do love will you have the time

Em

C

Cause theres a million other people that deserve you more than I

Em

C

Now its been two years since the day you passed

Am

D

B7

And Im starting to forget the time I kissed you last

Em

C

G

And I feel scared, cause I love you more

[Break]

Em
