Isac Elliot - New Way Home - <http://www.isacelliot.com/>

First tab, please tell me if there any way mistakes!
Note that I ve changed the chords in the verse a bit so it sounds better on guitar
(otherwise there d be long sections with just Am) and just put the chords on the
bridge as the verse. It sounds fine to me.
Enjoy!

Verse 1:

Am
My home is where your heart is,
C
Want you to know you own it,
G **Dm**
And that you ve had it from the start.

Am
I hate to see your tears,
C **Dm**
There are things you need to hear,
Am **G**
Let me talk to you baby.

Pre-Chorus:

Am **C**
Cause you need things he cannot buy,

G **Dm**
Yeah you want him to make you smile,
Am **C**
Carving our names in a tree,
Dm **Am** **G**
Just you and me, the rain can't wash that away

Chorus: x2

Am **C**
New way home
F
I dream a little dream of ya,
F
To be with ya
Am **C**
Stone by stone
F
I'm working on a dream for ya
Dm
The best for ya

Interlude: **Am - C - F - Dm**

Verse 2:

Your home is where my heart is,
Want you to know that I want it that way,
Let me have it that way.
I'd love to feel you near,
There are things you need to see,
Ooh let me show it to ya baby.

Pre-Chorus 2:

Cause I got things he cannot buy,
I know that I can make you smile,
Carving our names in tree,
Just you and me, the rain can't wash that away...

Chorus x2

Interlude: **Am - C - F - Dm**

Bridge

Am **C**
I know that these are the times,
G
When people lock their doors,
Dm
And hide inside.
Am **C**
Girl, I know if you'll be mine,
G
You're safe here with me,
Dm

Til the end of time...

Chorus x2
