Isac Elliot - New Way Home - http://www.isacelliot.com/

First tab, please tell me if there any way mistakes!
Note that I ve changed the chords in the verse a bit so it sounds better on
guitar
(otherwise there d be long sections with just Am) and just put the chords on the

bridge as the verse. It sounds fine to me.
Enjoy!

New way home
                  Eb
I dream a little dream of ya,
Eb
To be with ya
Gm              Bb
Stone by stone
                  Eb
I m working on a dream for ya
Cm
    The best for ya

Interlude: Gm - Bb - Eb - Cm

Verse 2:
Your home is where my heart is,
Want you to know that I want it that way,
Let me have it that way.
I d love to feel you near,
There are things you need to see,
Ooh let me show it to ya baby.

Pre-Chorus 2:
Cause I got things he cannot buy,
I know that I can make you smile,
Carving our names in tree,
Just you and me, the rain can t wash that away...

Chorus x2

Interlude: Gm - Bb - Eb - Cm

Bridge
Gm                Bb
   I know that these are the times,
      F
When people lock their doors,
     Cm
And hide inside.
Gm                    Bb
   Girl, I know if you ll be mine,
        F
You re safe here with me,
           Cm
```

Til the end of time...

Chorus x2
