First tab, please tell me if there any way mistakes!

Note that I ve changed the chords in the verse a bit so it sounds better on guitar

(otherwise there d be long sections with just Am) and just put the chords on the

bridge as the verse. It sounds fine to me.

Enjoy!

Intro (continued): **G#m - B - E - E**  
**G#m - B - E - C#m**

Verse 1:

**G#m**

My home is where your heart is,

**B**

Want you to know you own it,

**F#**

**C#m**

And that you ve had it from the start.

**G#m**

I hate to see your tears,

**B**

**C#m**

There are things you need to hear,

**G#m**

**F#**

Let me talk to you baby.

Pre-Chorus:

**G#m**

**B**

Cause you need things he cannot buy,

**F#** **C#m**  
Yeah you want him to make you smile,  
**G#m** **B**  
Carving our names in a tree,  
**C#m** **G#m** **F#**  
Just you and me, the rain can t wash that away

Chorus: x2

**G#m** **B**  
New way home  
**E**  
I dream a little dream of ya,  
**E**  
To be with ya  
**G#m** **B**  
Stone by stone  
**E**  
I m working on a dream for ya  
**C#m**  
The best for ya

Interlude: **G#m - B - E - C#m**

Verse 2:

Your home is where my heart is,  
Want you to know that I want it that way,  
Let me have it that way.  
I d love to feel you near,  
There are things you need to see,  
Ooh let me show it to ya baby.

Pre-Chorus 2:

Cause I got things he cannot buy,  
I know that I can make you smile,  
Carving our names in tree,  
Just you and me, the rain can t wash that away...

Chorus x2

Interlude: **G#m - B - E - C#m**

Bridge

**G#m** **B**  
I know that these are the times,  
**F#**  
When people lock their doors,  
**C#m**  
And hide inside.  
**G#m** **B**  
Girl, I know if you ll be mine,  
**F#**  
You re safe here with me,  
**C#m**

Til the end of time...

Chorus x2
