Isac Elliot - New Way Home - http://www.isacelliot.com/

First tab, please tell me if there any way mistakes!
Note that I ve changed the chords in the verse a bit so it sounds better on
guitar
(otherwise there d be long sections with just Am) and just put the chords on the

bridge as the verse. It sounds fine to me.
Enjoy!

Intro (continued): **G#m** - **B** - **E** - **E**
                   G#m - **B** - **E** - **C#m**

Verse 1:
```
   G#m
```
My home is where your heart is,
```
B
```
  Want you to know you own it,
```
F#                            C#m
```
  And that you ve had it from the start.
```
        G#m
```
I hate to see your tears,
```
B                        C#m
```
 There are things you need to hear,
```
   G#m                F#
```
Let me talk to you baby.

Pre-Chorus:
```
G#m                      B
```
   Cause you need things he cannot buy,

```
F#                                      C#m
   Yeah you want him to make you smile,
G#m                      B
Carving our names in a tree,
                          C#m       G#m         F#
Just you and me, the rain can t wash that away

Chorus: x2
G#m           B
New way home
                  E
I dream a little dream of ya,
E
To be with ya
G#m           B
Stone by stone
                  E
I m working on a dream for ya
C#m
    The best for ya

Interlude: G#m - B - E - C#m

Verse 2:
Your home is where my heart is,
Want you to know that I want it that way,
Let me have it that way.
I d love to feel you near,
There are things you need to see,
Ooh let me show it to ya baby.

Pre-Chorus 2:
Cause I got things he cannot buy,
I know that I can make you smile,
Carving our names in tree,
Just you and me, the rain can t wash that away...

Chorus x2

Interlude: G#m - B - E - C#m

Bridge
G#m                 B
   I know that these are the times,
      F#
When people lock their doors,
    C#m
And hide inside.
G#m                     B
   Girl, I know if you ll be mine,
        F#
You re safe here with me,
          C#m
```

Til the end of time...

Chorus x2
