Don t need no one to tell me to pull up the rope
Em
I can t have only one, no I can t just have only one
C **D7**
It s all and none none ni and know that it s true, so

D **G**
I ll do different things, but I like them all
D **G**
Blue is beautiful, curled up in a ball

And don t feel anything, I don t want to feel anything
C **D7**
It s more than feeling it, it s more than the real thing
D **G**
Are you impressed with how depressed I ve become
D **G**
