

Vapours
Islands

A Bm E D-C#m-Bm-E

A
Hope I ventilate.

Bm
The vapours might take a sec,

E
The vapours might make you wet.

A
Well I hope I satiate,

A
Whom I entertain.

Bm
Hoping you get dancing feet,

E
Hoping that you like the beat,

A
And I hope you don't complain.

A Bm E A

A D F#m D
It's the bassline in your mind

A D F#m D
It's a sexy way to cry

A E Bm E
You know I had my share of doubt,

D E A
Until I saw the vapours in your eyes

A
So watch me ventilate,

Bm
Knock you off your feet where you stood.

E
You keep dancing if you could,

A
Well I hope I'm understood.

A
Tears rolling down your face.

Bm
The vapours all up in the place.

E
Guess I'm alive today at least,

A

While I ventilate.
