

Clush
Isles & Glaciers

Clush - Isles & Glaciers

Tabbed by: Dudem19
Email: dudem19@aim.com

This is not really how they play the song, but these chords work well for acoustic
Some of the lyrics are missing, but I tried to make up for the spacing as much as I could. I
you guys like it! E-mail me if you have any lyric corrections!

Tuning: Standard

Am **C** **G**
Oh As we share this simple night
 D **Am**
Do you understand that I
 C **G**
I could never tell a lie

Am **C** **G**
So we all know by now
D
(that you are)
Am **C** **G**
You are your favorite thing
 Am **C** **G**
Oh when I hear you coming now

Am **C**
So please allow me to introduce myself
 G **D**
I m the one that you talk about
 Am **C** **G**
Imagine if you held me any tighter
 D **Am** **C** **G**
It will be just as easy to leave me and let me go

D **Am**
It s the way that you are
 C **G**
And you can t breathe without me

Am **C** **G**
Take a few steps back and just ...

D

[Unknown lyrics]

Am **C** **G**
With our heads in the clouds, its hard to see whats going on the floor
Am **C** **G** **D**
I know that every time I sing you will want to sing along
Am **C** **G** **D**
Lets try our hardest to do, what has already been done

Am **C**
Bunch of boys that have it easy
G **D**
Oh they live in a dream
Am **C** **G** **D**
But its not that simple no, sometimes we feel just like machines

C **G** **D**
(can t breathe without me)

Am **C** **G**
Take a few steps back and just ...

D

[Unknown lyrics]

Am **C** **G**
With our heads in the clouds, its hard to see whats going on the floor
Am **C** **G** **D**
I know that every time I sing you will want to sing along
Am **C** **G** **D**
Lets try our hardest to do, what has already been done

(too high and incoherent, again)
(can t decipher screams either)

[i like to sing this part aca pella]
Stare, all you want
Cause you know that were on top
This is all that we know
This is everything you want

Am **C**
If you can t stand on your own
G **D**
Then speak up let us know
Am
Tones will change,
C
Curtains will drop
C **G** **D** **Am**
Who knew the top would be so fucking ugly?

Am **C**
Stare, all you want
G **D**

Cause you know that were on top

Am **C**

This is all I ve ever known

G **D**

This is everything you want

Am **C**

If you can t stand on your own

G **D**

Then speak up let us know

Am

Tones will change,

C

Curtains will drop

C **G** **D** **Am**

Who knew the top would be so fucking ugly?

C **G** **D** **Am**

I know that every time I sing you will want to sing along

C **G** **D** **Am**

Lets try our hardest to do, what has already been done [x2]
