# I Live to Worship You

no capo

[Verse]

G2/B                      F/A                      C/G  
Away, away from the noise,  
                                 G  
alone, with You.  
G2/B                      F/A                      C/G  
Away, away                      to hear Your voice,  
                                 D/F#  
and meet with You.  
Dm7/F                      C2/E  
                                 Nothing else matters,  
D/F#                      Dm7/G  
                                 My one desire is:

[ Chorus ]

**F2**  
To worship You, I live.

**F2**  
To worship You, I live.

**G** **F/C** **C**  
I live to worship You (repeat)
