I m alive

E **B**

Without you

Dbm **A**

And I m better off alone

Like a queen on her throne

Em **C**

I can fly

G **D**

Without you

Em **C**

And this time I m gonna make it

G **D**

Here on my own

C

I m alive

Can you hear it, can you see me

A reflection of what I used to be

It s everywhere in the air that you breathe

When I saw you, oh, the first time

Glaciers melted, water turned to wine

How could I, baby, ever be so blind

I m alive

Without you

And I m better off alone

Like a queen on her throne
I can fly
Without you
And this time I m gonna make it
Here on my own
I m alive

Bridge

C Em D/F#

C

I m on my way now
Leaving you behind now

Em

Taking it so slowly

D/F#

I will make it through

Feel so much stronger
Don t need you any longer

C

Now it s time to spread my wings and learn to fly

I m alive

I can fly
Without you
And this time I m gonna make it
Here on my own
I m alive
Without you
And I m better off alone
Like a queen on her throne
I can fly
Without you
And this time I m gonna make it
Here on my own
I m alive
