

Butterfly
Issakar

This is a really awesome up and coming Christian band. I m actually really surprised that they don t have any tabs up here yet. This song is one of my and my girlfriend s favorites.

Pretty simple, all in the key of C. No capo.

Butterfly

C G
Like a butterfly up in the air

Am F
She s takin me somewhere new

C G
Everytime she looks at me

Am F
With those eyes so blue

C G
Like a rocket shooting up to the sky

Am F
She s got me burnin up inside

C G
Like a fever that just won t break

Am F
Like a dream while I m awake

Chorus:

C G
Well I, Can t believe I,
Am F
I keep fallin deeper, fallin in love.

C G
As hard as I try,
Am F
I can t get her off my mind

C G
Like a firefly burning in flight

Am F
A shooting star inside of my mind

C G
Is racing every night

Am F
She s overrun my life

C G

Like a carrousel spinning around

Am F

She dances til the sun goes down

C G

I ll take her tiny hand in mine

Am F

And leave the world behind

Chorus (2x):

C G

Well I, can t believe I,

Am F

I keep fallin deeper, fallin in love.

C G

As hard as I try,

Am F

I can t get her off my mind

C G

Like a river runnin outta control

Am F

She floods into my heart and soul

C G

And sees beyond who I have been

Am F

And lets me love again

Chorus (2x):

C G

Well I, can t believe I,

Am F

I keep fallin deeper fallin in love.

C G

As hard as I try,
