

Lights
It Bites

E E E E
E E E A

C#m B A
Getting myself into this was never easy
C#m B A
Giving myself up to you is no reward
E F#
Does it all begin with something new?
E F# C
Falling into something you can t see

Chorus:

 E B A
The lights go out at night I feel a space between us
 E B C
The lights go out at night, I feel that I m alone
 E B A
So let s go out tonight, I feel the space between us
 C E
As we stare at the sun

(E) E E E
E E E A

C#m B A
Getting myself into this and into your heart
C#m B A
Leading myself into view, I try to fall
E F#
Does it all begin with something new?
E C
Falling into something you can t feel

(I know something, you know something, we know something)

Chorus:

 E B A
The lights go out at night I feel a space between us
 E B C
The lights go out at night, I feel that I m alone
 E B A
So let s go out tonight, I feel the space between us
 C E
As we stare at the sun

(E) D C#m D

C#m D C#m A
C#m D E D
E D C#m A

E A D
Lights have gone down as you re fading from view
C#m D
Secretly I fall apart
Bm G
For I am the one who will be strung along
B E
Tied into your heart

E E E E
E E C C
E E E E
E E C C

E F#
Does it all begin with something new?
E F# C
Falling into something you can t feel

(I know something, you know something, we know something)

Chorus:

E B A
The lights go out at night I feel a space between us
E B C
The lights go out at night, I feel that I m alone
E B A
So let s go out tonight, I feel the space between us
C
As we stare at the
Am
we stare at the
C E
we stare at the sun
