E A D
Lights have gone down as you're fading from view

C#m D
Secretly I fall apart

Bm G
For I am the one who will be strung along

B E
Tied into your heart

Does it all begin with something new?

E F# C
Falling into something you can't feel

(I know something, you know something, we know something)

Chorus:

E B A
The lights go out at night I feel a space between us

E B C
The lights go out at night, I feel that I'm alone

E B A
So let's go out tonight, I feel the space between us
