This Is It

This Is It (final version)

Dedicated to Leon Sittiphan Sasook Loh (20-06-2013)
Remember that night where you stayed by me and wait for me to write these
verses? Well,
I wrote them for you, so here they are :) Sorry it s so corny, but it s
absolutely,
truthfully, GENUINELY from the bottom of my heart. I love you bro! I recorded a
studio
version of this but I don t think I will ever give it to you, probably when you
re older or
something, but definitely not now, you will tease me to death -_- So in the
meantime
just imagine along and see if your tune sounds like what I want it to sound
like. I just
want this song to remind you that Itachi will never ever leave your side, no
matter the
distance or time difference, sissy will always be here for you!
I love you a lot! To the moon and back to infinity and beyond. See you soon ai
dek ba x xx
