Itchy Poopzkid " Away from here

Am E F C Dm Am F G Dm

Am E

Iâ'm on the run

F C

Iâ'm running 'til I meet the end of fun

Dm Am

Don't ask me where I'll go

F G Dm

My direction is unknown

Am E

Find something else

F C

And one more time Iâ'm talking to myself

Dm Am

Just like I always do

F E / G

All I know is that I won't ever turn if I stay where I am

Am E

I cannot sleep, I cannot hide

F C

I cannot stop until I find the light

G Dm

Along the sun, along the pain

F G Dm

Until the real me remains

Am E

I cannot wait, I cannot rest

F C

I cannot hide I need to make progress

G Dm

Across the hillls, across the sea

F G / E

Because I need to be away from here

Am E F C Dm

Am E
Turn on the light

F C
Embarrassing how it's all black and white

Dm Am
Don't blow my cover now

F G Dm
Better keep my plans for me

Am E
I laugh out loud

F C
So noone here will ever start to doubt

Dm Am
If I am as happy as

F G / E
it seems and now I take my pride and I swallow it slowly to hide

Am E
I cannot sleep, I cannot hide

F C
I cannot stop until I find the light

G Dm
Along the sun, along the pain

F G Dm
Until the real me remains

Am E
I cannot wait, I cannot rest

F C
I cannot hide I need to make progress

G Dm
Across the hills, across the sea

F G / E
Because I need to be away from here
