Reality - Something evil s lurking in your room

Eternally - Like a birthday on the day of doom

Ebm Bbm
You know your future slowly gets in form
Ebm F# G#
When the Purgatory keeps you warm

Bbm C#
You re going down down down falling endlessly
G# F#
No one s around round round looks like hell to me

Bbm C#
You re going down down down falling endlessly

No one s around round round with the best of wishes from me
